Summer School of Fine Arts, and subsequently lived most of her adult life in Kingston. From then and for the rest of her 82 years she stayed busy with her art and her other responsibilities, but always found time to contribute to the community. She died in 2004, leaving all of her art and almost all of her estate to the Community Foundation for Kingston & Area.

It was Nan's wish to fund a grant for promising young artists and artisans developing their talents in the greater Kingston area. The Nan Yeomans Fund, established at the Community Foundation for Kingston & Area with her bequest, now provides an annual award in her name that is administered by the Kingston Arts Council.
