

CALLING ALL TEACHING ARTISTS IN KINGSTON!

The Arts Infusion Committee at the Faculty of Education, Queen's University, is seeking Teaching Artists who might be interested in working with our undergraduate- and graduate-level instructors to facilitate arts-infused workshops across a variety of education subject areas (e.g., history, geography, math, literacy, etc.) and topics (e.g., mental health, EDII, community-building, creativity, etc.).

We are putting together a roster of Teaching Artists that Faculty of Education instructors can browse to see what workshops/art forms might enhance student learning in their courses.

If you are interested in joining our Teaching Artist roster, please contact Tiina Kukkonen, Arts Infusion Committee Facilitator, at educarts@queensu.ca for more info.
